Why? What makes them your favorite?

1 At the start, Elliott is lonely and nobody listens to him. By the end, he is the bravest kid in town. What changed him?

2 Spielberg filmed almost the whole movie from a kid's eye height, looking up at the grown-up world. Why would he do that?

3 E.T. loves Elliott, but he still chooses to go home. Was that the right ending? What would you have chosen?
