Why? What makes them your favorite?

1. **Dr. Malcolm says the scientists asked if they COULD bring dinosaurs back, but never if they SHOULD. Should we? Why?**

2. **What if Nedry had never shut off the fences? Would the park ever have been safe to open?**

3. **Dr. Grant does not even like kids at the start. By the end he protects Tim and Lex like family. What moment changed him?**
