Why? What makes them your favorite?

1 **The movie keeps stopping the fairy tale to show Grandpa reading to the grandson. Why keep them in it instead of telling the story straight?**

2 **The grandson thinks a kissing book sounds terrible, but at the end he asks Grandpa to read it again tomorrow. What changed his mind?**

3 **Inigo spent his whole life on revenge, and when it is done he does not know what to do next. Was it worth it? What should he do now?**
